

# Gambat Medical College

## @ Pir Abdul Qadir Shah Jeelan Institute of Medical Sciences, Gambat-Distt: Khairpur Mir's

# MESSAGE

**Captain (R) Dr. Rahim Bux Bhatti**
MBBS, Fellow of PSIM
Director PAQSJIMS, Gambat

It is with immense pride and genuine enthusiasm that I extend a warm welcome to you on behalf of Gambat Medical College, as a Director, it is both an honor and a privilege to introduce you at PAQSJIMS. Gambat, a distinguished center of excellence in medical education, research, and healthcare.

At Gambat Medical College, we are committed to shaping the next generation of healthcare leaders-compassionate, skilled, and driven by a deep sense of purpose to advance global health. Our meticulously designed curriculum combines cutting-edge scientific knowledge with rigorous clinical training, ensuring our graduates excel as both competent professionals and empathetic caregivers.

Our exceptional faculty, state-of-the-art facilities, and dynamic research environment provide a foundation for intellectual growth and groundbreaking innovation. Beyond academic excellence, we emphasize the holistic development of our students, fostering values of ethics, leadership, and a lifelong commitment to learning.

The journey to becoming a medical professional is both demanding and profoundly rewarding. At Gambat Medical College, we stand ready to support you at every stage of this transformative path, equipping you with the knowledge, skills, and principles needed to make a meaningful impact on the lives of patients and communities worldwide.

As you embark on this significant journey, I encourage you to explore the wealth of opportunities available at Gambat Medical College. Together, we will strive for excellence in the noble pursuit of advancing healthcare.

I look forward to personally welcoming you to our academic community.

## INTRODUCTION

This giant project was started from a 2-room dispensary, serving the people of Gambat since 1934. It was upgraded to the Taluka Hospital. In 1997, the THQ Hospital was declared a MODEL TALUKA HOSPITAL by MSU, World Bank, due to the efforts and devotion of Dr. Rahim Bux Bhatti, the Medical Superintendent.

The Institute was upgraded to degree-awarding institute, as a result of the untiring efforts of the Director PAQSJIMS and his team. The act was passed on 12th April 2011, Honorable Chief Minster Sindh Syed Qaim Ali Shah announced GIMS, as "INDEPENDENT DEGREE-AWARDING INSTITUTE". Later, Higher Education Commission of Pakistan recognized and issued "NO OBJECTION CERTIFICATE" to this institute on 31st March 2015. Accrediting to run the medical college. This budding institute is progressing on its strong medical grounds. It will soon find its name among the high-ranking institutes of the country, based on its performance, especially, transparent admission process and vigilant examination department. The institute is in the process of expansion and very soon, new -faculties will be added to it.

Gambat Medical College will be admitting the 10$^{th}$ batch of MBBS. There are 100 seats allocated to 23 tagged districts of Sindh. The selection of the students is based on district wise quota with no discrimination of caste & creed. The aim is not only to produce competent doctors but also to inculcate high moral values in them through the education, which is focused to ensure that training and grooming of the students go hand in hand with modern requirements of medical institution. The college is recognized by the then Pakistan Medical & Dental Council (PM&DC) Islamabad.

The college is a part of Pir Abdul Qadir Shah Jeelani Institute (PAQSJIMS), Gambat, the main campus is situated on the left bank of Rohri canal. The humid & cooler air coming from the canal, keeps atmosphere comfortable even in hot days. It is just half kilo meter away from the National Highway, the Highway which connects Sindh with other provinces of Pakistan.

Best possible medical education to the youngsters of the sindh particularly the rural areas, is the main aim of establishment of this college and to provide health care facilities to the people not only of sindh but also the adjoining areas of other provinces as well.

The college has dedicated and hardworking teaching faculty and so are the students the faculty is almost completed according to the PMDC Islamabad criteria. Everyone in the institute is committed to provide outstanding training & grooming of the students under the state of art facilities in purpose, with the basic teaching facility including air-conditioned modern Lecture halls, laboratories, demonstration rooms, library and central infra-structure which can be compared with any best medical institution in the country and aboard. All the lecture halls, demonstration rooms and seminar rooms are equipped with latest I.T facilities.

Postgraduate research center with various disciplines such as regenerative medicines, molecular medicines, P.G high-tech lab, and stem cell technology is going to be introducing soon.

First four batches of MBBS course at GMC are affiliated with Shaheed Mohtarma Benazir Bhutto Medical University (SMBBMU) Larkana for examination purpose and secured positions in various examinations.

The teaching hospital boasts modern clinical departments equipped to provide both inpatient and outpatient care, a fundamental necessity for a medical college during the clinical teaching phase. The hospital afflicted with our institute has a bed capacity more than 1,000, to accommodate all batches.

## FACILITIES

As far as its infrastructure is concerned, it has a marvelous infrastructure, comparable to any high class & high ranked college not only in the Pakistan, but, abroad also. It is almost up-to mark, according to the requirements of PM&DC in the infrastructure and in the teaching faculty, as well. The College has four air-conditioned lecture halls. All the basic departments have their individual Laboratories, Tutorial rooms, Group discussion rooms and Museums. Anatomy department has a dissection hall. There is a large & capacious skill lab, with facility of tutorial room & a discussion room. All the above labs & rooms are air-conditioned.

The college is at par with any of good college/institution of Pakistan in academics. Basic Science faculty is up-to-mark according to PM&DC requirements, having professors, Associate Professors, Assistant Professors, Senior Registrars, Lecturers /Demonstrators and other supporting staff.
